

DAILY DEMOCRAT-FORUM

(Successor to the Maryville Republican)

VOLUME 1.

MARYVILLE, MISSOURI, FRIDAY, OCT. 21, 1910.

NO. 119.

FIVE TICKETS SENT

COUNTY CLERK RECEIVED LISTS OF NOMINEES.

AMICK'S NAME LEFT OUT

Constitutional Amendments Will Be Printed On a Separate Ballot.

The form of ballots to be voted at the state election November 8, was received at County Clerk Demott's office Thursday from Cornelius Roach, secretary of state.

The constitutional amendments will be submitted on a separate sheet from the ballots. Aside from the five ballots each voter will be given the sheet containing the amendments and this will be voted upon separately.

The sheet upon which the amendments will appear will be about 11½ by 24½ inches. At the side of each amendment will be placed in very large type the words YES and NO. Those who want to vote for the amendments will scratch the word NO while those who want to vote against them will scratch YES.

It had been supposed here that the amendments would be attached to the regular tickets, as has been done in the past, but they are so lengthy that this would not be practicable. Every voter, it matters not what ballot he will vote, will be given the amendments also.

The five tickets which will be submitted will be the Democratic, Republican, Prohibition, Socialist and Socialist Labor.

Of these tickets only three will have local candidates on them, the Democratic, Republican and Socialist. Only the Republican and Democratic tickets will have candidates for the United States senate.

The omission of the name of W. K. Amick, the Republican candidate for congress, was noted on the list which was certified by Secretary of State Roach. It was learned that the committee had neglected to file his name as provided by law. Efforts were commenced at once to correct this error. There is said still to be time to get the name on the ticket.

With Mr. Amick there are four candidates for the nomination for congress in the Fourth congressional district. The others are Congressman Charles F. Booher, the present incumbent on the Democratic ticket; Albert B. Wray of Union Star, on the Prohibition ticket, and Edward D. Wilcox of Burlington Junction, on the Socialist ticket.

The local ticket will not be made up finally until Monday or Tuesday of next week. When it is completed it will be at once submitted to the printer.

The following are the official state tickets, Isaac B. Kimbrell and Jacob Joseph Herz having withdrawn from the Republican ticket as candidates for the nomination for United States senate:

Democratic.

For United States senator—Sterling Price Bond, John F. Breckenridge, William Brice Cumberland, David Stowland Francis, James A. Reed, Joseph Drift Shewalter.

For judge supreme court—James Britton Ganitt.

For judge supreme court, short term—Henry Carroll Timmonds.

For state superintendent of public schools—Howard A. Gass.

For railroad and warehouse commissioner—Thomas M. Bradbury.

Republican.

For United States senator—Nathan Frank, Albert E. L. Gardner, John Peter Hufnagle, John C. McKinley, Jacob Frederick Schmitter.

For judge supreme court—John C. Brown.

For judge supreme court, short term—John Kernish.

For state superintendent of public schools—William P. Evans.

For railroad and warehouse commissioner—Frank A. Wigatman.

Prohibition.

No candidate for United States senator.

For judge supreme court—Julius C. Hughes.

For judge supreme court, short term, no candidate.

For state superintendent of schools—James Clinton Shelton.

For railroad and warehouse commissioner—George W. Campbell.

Socialist.

No candidate for United States senator.

For judge of supreme court—John P. Williams.

For judge supreme court, short term—Noth Winston.

For railroad and warehouse commissioner—Clydes S. Barnsley.

Socialist-Labor.

For judge supreme court—Henry J. Poelling.

For judge supreme court, short term, no nomination.

For state superintendent of public schools—William H. McNealy.

For railroad and warehouse commissioner—Joseph Spalti.

COUNCIL MEETING TONIGHT

The city council will meet this evening and several sidewalk ordinances will be presented for action. Another matter that will come up will be the report of the soliciting committee that is raising funds to buy the street flushing machine of the Iowa Wagon Company of Shenandoah, Iowa. They had raised about \$300 from the merchants this morning, and expect to have several more hundreds raised by evening. The cost of the machine is \$9.00, and if a large part of it is raised, the city will probably come through for the balance of it.

FORMER RESIDENT BACK ON VISIT

Charles Rutledge, formerly of Nodaway county, but now of North Platte, Neb., arrived in Maryville Tuesday for a visit with his sister, Mrs. E. R. Belcher, living six miles northeast of town. After visiting a few days, he will then go on to South Missouri and Oklahoma and on down in Texas, where he is looking after land interests. After this trip, he will return to his home in Lincoln county, Neb. It has been twelve years since Mr. Rutledge left Missouri.

RECOMMEND IT MOST HIGHLY

U. G. Reininger, manager of the Iowa Wagon Co., of Shenandoah, who has had charge of the street flushing machine which has been demonstrated in this city, was in Maryville Wednesday. Mr. Reininger requested us to print the following letter, from Mayor Frink and City Clerk Conway of Shenandoah:

It gives us much pleasure to commend most highly "Modern Sanitation" as the most efficient and thoroughly satisfactory way of cleaning streets of dust and dirt and pest-breeding refuse.

This season is the first in the history of Shenandoah when our paved streets have been actually clean and free from dust regardless of the summer winds.

In addition to freeing the streets of dust the flushing method is a long step toward better health, and is one of the greatest aids that can be enlisted in the fight on consumption and other contagious diseases. It washes or scrubs away the disease spots and the surplus water is an effectual agency for flushing the sewers.

We would advise the installation of one of your machines wherever a municipality possesses two or more miles of paved streets, in the interests of economy, cleanliness and sanitation.

DENTON TO GO TO TROY, N.Y.

The Rev. H. A. Denton, a former pastor of the Christian church of Maryville, has accepted a call to the pastorate of the Christian church at Troy, N. Y. Mrs. Denton will arrive the first of next week in our city to be the guest of Mr. James B. Robinson.

Visitor in Maryville.

Fred Davis of the Sioux City (Iowa) Journal, spent Thursday in Maryville with his uncle, Joseph Jackson Sr., and family. Mr. Davis has been a writer on The Journal for fourteen years or more. Mr. Davis' mother, Mrs. B. K. Davis, of Philadelphia, is visiting at Excelsior Springs, and Mr. Davis had been there visiting her. This is Mr. Davis' first visit back to his old home in Maryville for several years.

Mrs. J. M. Craven and little son, Robert, of Gallatin, Mo., have been visiting in Maryville the past two weeks with Mrs. Craven's brother, Dr. Charles Phelps, and family. They left Friday morning for St. Joseph to visit before returning to their home.

TO MAKE CAMPAIGN

A VERY ACTIVE ONE IN FAVOR OF PROHIBITION.

SPEECHES TO BE MADE

Over the County and in Maryville, Which Will Close November 5.

The county Prohibition Association is going to make an active campaign in Nodaway county until the election day in November, as will be shown by reading the following from the secretary of the association:

The committee on speakers for Nodaway county submit the following:

All pastors of the Maryville churches are requested to speak on the subject each Sunday from now up to and including the first Sunday in November.

The committee also planned for speaking at the following places:

Oct. 23, at 3 o'clock in the African M. E. church, in East Maryville, C. H. John, speaker.

Oct. 24, at Graham, at 7:30 p. m., Rev. W. J. Parvin, speaker.

Oct. 25, at Clearmont, at 7:30 p. m., Rev. W. J. Parvin, speaker.

Oct. 26, at Quitman, at 7:30 p. m., Rev. W. J. Parvin, speaker.

Oct. 27, at Barnard, at 7:30 p. m., Rev. W. J. Parvin, speaker.

Oct. 28, at Wilcox, at 7:30 p. m., Rev. W. J. Parvin, speaker.

Oct. 29, at Burlington Junction, at 7:30 p. m., Rev. L. O. Bricker, speaker.

Oct. 30, at Mt. Airy M. E. church at 3 p. m., Rev. W. J. Parvin, speaker.

Oct. 30, in the colored Baptist church, in East Maryville, at 3 p. m., Rev. L. O. Bricker, speaker.

Nov. 5, at 2:30 p. m., a mass meeting in the court house yard in Maryville.

Nov. 4, in the court house in Maryville at 7:30 p. m., Rev. E. J. Moore of St. Louis, speaker.

The pastors of the churches at the above named places and friends of "God and Home and Native Land" are urged to make all needed arrangements for the success of these meetings. The committee seeks your earnest co-operation. Pastors of churches and all friends of this cause are urged to push this campaign with all possible vigor in every neighborhood in the county.

C. H. JOHN,

Secretary of the Committee.

Tonight, at the Fern Theater.

Paul Loss, St. Joseph's most promising baritone singer, will sing "A Bowl of Roses" at the Fern Theater tonight.

News of Society and Women's Clubs

Royal Neighbors Picnic.

Quite a company of the Royal Neighbors drove to the country home of Mr. and Mrs. Albert Shupe, three miles west of Maryville, Thursday morning to spend the day. Y. W. C. A. Tea.

The Y. W. C. A. of the State Normal gave a reception and tea Thursday afternoon in the Y. W. C. A. room to the faculty and students, which was a very pleasant social affair. The guests were received by Miss Myra

Hull and Miss Myrtle Partridge. Tea was served by Miss Helen Todd and Miss Pauline Parr.

Aid Society Social.

The monthly social meeting of the Aid Society of the First Christian church was held with Mrs. J. R. Brink Thursday afternoon. The ladies engaged themselves with embroidery and other like work for their Christmas sale, which they will hold in December. Their next social meeting will be held with Mrs. J. B. Robinson.

Gave Coffee Benefit.

Mr. and Mrs. M. J. Dongan gave a coffee at their home on West Fifth street Thursday afternoon and evening for the benefit of the new convent school of St. Patrick's parish. Those assisting the host and hostess in serving the guests were Miss Nellie O'Connor, Miss Angelina Rothmberger, Miss Margaret O'Donnell and Miss Margaret Dongan.

Hallowe'en Party.

The ladies of the First Baptist church are making handsome preparations for the Hallowe'en party they are going to give the State Normal students in the church parlors.

ALDRICH INJURED IN ACCIDENT

Special from Howland News Bureau.

New York, Oct. 21.—Senator Nelson W. Aldrich of Rhode Island was seriously injured this morning in this city. It is not known how but it is supposed by an automobile.

NO BALL GAME AT CHICAGO TODAY

Chicago, Ill., Oct. 21.—On account of rain, no game was played today between the Cubs and the Athletics at this place. This game will be played Saturday in this city. It looks as if Philadelphia would win the world's series from Chicago as up to the present time they have won three straight games.

AMICK'S NAME NOT ON COPY

The News-Press and the following about the Republican congressional committee neglecting to place W. K. Amick's name on the ballots:

Unless there is quick action, W. K. Amick's name may not be placed on the official ballots as the Republican candidate for congress at the election November 8, it was said this afternoon.

The discovery was made late today that the Republican congressional committee of the Fourth district had neglected to file the party's nominee for representative in congress with the secretary of state, as required by law, and as tomorrow is the last day in which such action can be legally taken, there was some lively skirmishing upon the part of the St. Joseph members of the committee this afternoon.

Of course the failure to file Mr. Amick's name was unintentional, but some members of the party were disposed to severely criticize the committee for inattention to duty.

It may be that filing can be done by telegraph. If not, it is said that a members of the committee will be started to Jefferson City on the first train in the hope of presenting the congressional nominee's name in the proper and regular manner.

MRS. LANDON COMING SUNDAY

Mrs. Perry O. Landon and little sons, Truman and Court, landed safe in New York City Thursday from their six months' absence in Germany, at Lubeck, where they visited Mrs. Landon's parents. The travelers will arrive home in Maryville Sunday morning, according to a message received by Professor Landon Friday morning.

Pennsylvania Visitors Here.

Miss Gertrude Falls and her friend, Miss Lillian Perry, of New Castle, Pa., arrived in Maryville Thursday night and are guests of Miss Falls' cousin, William J. Falls, just north of Maryville. The ladies are on their way home from a trip through the West.

Mrs. Anna Schmidt of St. Joseph is the guest of Mrs. Lisette Lippman of West Fourth street. Mrs. Schmidt formerly lived in Maryville.

CALL FOR CHARITY

AN OLD WOMAN HRIED TO WALK TO POOR FARM.

SEEMS TO BE ALL ALONE

The Charity Board Has Nothing With Which to Aid Her—Lithicums Are in Need.

Wednesday, a woman giving her name as Laura LaFavor and evidently sixty years old or more, stopped at the home of G. F. Chappell, one mile west of town, and inquired the way to the county infirmary.

Mrs. Chappell gave directions to the woman and asked her if she was walking, as she saw no conveyance on the road. The woman said that she was and also that she had walked into Maryville.

Mrs. Chappell insisted upon her resting a little while, and told her that she would take her to the county farm as soon as she could hitch up her buggy. The woman seemed reticent in answering questions concerning herself, but was willing that Mrs. Chappell should take her to her destination.

On arriving there, Superintendent Eugene Davis, asked the woman where she came from and if she had any friends or relatives here, and also asked her age. She replied that she was from the state of Washington and that she had a friend in this county by the name of Nathan Logan. She also said that she had a son at Albany.

In regard to her age, she said, "I used to be 64 but I think I am about 40 now because the spirits told me once that I would go back until I was 18 years old, and then grow old again."

By this and similar other answers to questions, it is evident that the woman is of mentally. She did not seem to want to answer questions but Mr. Davis told her that she would have to answer his questions because he had to keep a record of all people who stopped at his place.

As the woman is from another state, she cannot become an inmate of the county infirmary. Mr. Davis called up the women of the Maryville charity board and asked them if they could care for her until some disposition of her case could be made by the proper authorities. But as the women of the charity board have the Lithicums family with its four cases of typhoid fever on their hands and with insufficient supplies to care for them, they had to refuse Mr. Davis, and he is keeping her at the county home for the present.

Here is opportunity for the various women's clubs and societies, and well-to-do people of Maryville to exercise their charity they all surely have.

The Lithicums children are still very low of the fever, and are in need of many things. If you have anything to give, send it to Mrs. G. A. Nash, Mrs. A. R. Perrin or Mrs. J. S. Shinnabarger, and your gift will be properly used.

MISS MARTIN WILL GO TO VANCOUVER

Miss Ruth Martin has concluded to sever her connection with the Maryville Conservatory the first of November and go to Holton, Kan., where her parents, the Rev. and Mrs. S. S. Martin recently located.

Miss Martin will remain at Holton until the first of the year, when she expects to go to the Northwest, at Vancouver, where she has a brother living, and open a studio there. Miss Martin has done excellent work as a member of the Maryville Conservatory faculty, and she has many friends here who will regret to learn that she has concluded to leave Maryville.

Men's cotton and jersey gloves that cost \$1.25 per dozen prior to the Payne tariff, now cost \$1.65 per dozen. The difference of 39 cents you can charge up to the Republican tariff law of 1909.

The Stetson hat that sells for \$3.00 in Detroit, sells for \$3.00 in Windsor, Canada, less than half a mile away. The difference of \$2 is what the robber tariff does for every man who buys a Stetson hat in the United States.

The Republican party has proven itself unfaithful to party pledges and has fully proven its unfitness for national leadership. For fifty years it has been a party of graft, and a tool of the plundering interests. Its hours are numbered.

The suit of clothes that costs \$15 in Windsor, Canada, costs \$25 in Detroit, U. S., just across an imaginary line. The difference of \$10 is what the robber tariff enables the clothing trust to hold every man who buys a \$25 suit up for.

The New York Times asks: "What ails Missouri? Only a bad case of Hadleyism. While painful, the trouble is only temporary and will not prove fatal. In twenty-six and one-half months, the patient will be entirely relieved of the ailment."

What chance, do you suppose, the Wisconsin Republican platform would have had if presented for adoption to the Roosevelt convention at Saratoga? Therein lies the difference between the insurgency of Colonel Roosevelt and Senator La Follette.

The Land of Opportunity To-day

Is the rich Valleys of Southern Colorado and Northern New Mexico. Five hundred thousand acres of land which has during the past years been tied up in the grant form is undergoing a transformation, and this magnificent property, large enough for fifteen thousand farms and homes is being practically given away to the fifteen thousand persons who apply for a farm before they are all sold. In addition to the farm, each person is given a business or residence lot in the additions to the towns of Chama and Ferra Amarillo, and will also establish a new town. This town will be located in the Nutrias Valley, near the southern boundary of the Grant, where the settling up of this great irrigable valley will make a good town necessary. The farms range in size from 10 acres to 640 acres. A contract calling for one undivided farm and one lot and other rights together, will be sold for only \$250, payable \$10 a month. There is practically no limit to the variety of crops that can be raised on this land. This soil is rich and fertile—a veritable mine of agricultural wealth. It has been said that one good investment beats a life time of labor. Put your monthly savings were you will have something worth while at the end of the year. Here is your opportunity. Remember while they last.

\$250 payable, \$10 a month buys a farm and a lot.

HUDSON BAY IS VAST IN WEALTH

Earl Grey's Tour of Unexplored Canada an Eye Opener.

DEVELOPMENT WORK CERTAIN

Governor General Treads Paths Limited to Indians and Wild Game, but Finds Navigation of Northern Sea Practicable For Transportation of Grain and Ore.

Nothing in the period of Earl Grey's governor generalship of the Dominion of Canada has been more spectacular or more indicative of his interest in the vast extent of territory which he serves than the journey to and across Hudson's bay, which he has just accomplished.

By canoe and portage, whaleboat and sailing vessel Earl Grey traveled as a voyager of the old adventurous days over the same trails, packed hard by the moccasined feet of 100 years, in the same manner as did Hearne, the explorer, or Mackenzie, the dauntless, or many another of the Hudson Bay company's pioneers of 200 and 300 years ago.

It was a land at a standstill his excellency passed through.

Country Almost Unexplored.

The country had never been explored from any point of view other than that of the hunter after fur peltries until Earl Grey and his companions passed through. Although its rivers have been the highroads of commerce for many years, little information other than the amount of the season's fur catch has been sifted from the country.

And this is most natural. For while Canada as a whole has been advancing rapidly, this district has been marking time. Wedged in between the great wheat acres of the south, ice blown Hudson's bay to the north, the mixed farming country of the Saskatchewan to the west and the mining regions of new Ontario to the eastward, this vast and almost inaccessible area has held sullenly aloof from the white man and is tracked only by Indians and game.

Until vicinously appeared it was a barren land—a desert within an oasis. Now the magic wand of power and prestige waves over the country, and it becomes a land of gold, of wheat and of many riches.

Members of the party also bring back word of what the outside world has ever suspected to be the case—that it is a hunter's and fisherman's paradise, a limitless holiday ground for millions of people. They also tell tales of meeting men—men of the frontier—miners and prospectors, who have staked out claims in quartz and sand. One old veteran on Pipestone lake showed them mica, and the party itself discovered petroleum without having to be shown.

Transportation Facilities Needed.

But the wealth of the country is of little use unless some means can be employed to get it out to the civilized markets of the world, and it is most interesting and encouraging to all Canadians to hear what Earl Grey and his companions have to say upon the feasibility of the Hudson bay route as an outlet for the western harvest and the products of the Keewatin and Ungava.

For 175 years Hudson bay has been navigated by traders and whalers' ships continuously with the exception of one year. Still scientists speak dubiously of the possibility of making use of Hudson bay for commercial purposes, and old and wily navigators smile caustically and shake their heads when they are told within a decade the northern route will duplicate the St. Lawrence trade.

Ships have frequented the bay for three hundred years and more, and scarcely a ship has experienced serious trouble, although the majority of them have been sailing vessels without auxiliary power to keep them moving through the ice. There are no artificial aids to navigation in the bay, no detailed or accurate charts being available, no currents, no magnetism carefully worked out.

Channels Always Navigable.

Earl Grey has had compiled a list, a very incomplete list, but none the less valuable, of the most experienced and intelligent of the American and Scotch whaling masters who have been accustomed to navigate the straits each year. From these the opinion appears to be unanimous that during the autumn and summer months at any rate should drift ice occur in these parts, open water, suitable for the passage of steamers, can always be found between it and the shores.

Earl Grey has put an end to another misbelief. Hudson bay never has and never will be frozen over in winter. He has this on the authority of Indians, Eskimos, trappers and traders who, either themselves or their ancestors, have inhabited the shores of the bay for centuries. The bay may sometimes be more or less covered with floating ice, but its great depth and the strength of its currents make its surface proof against frost.

Opium Joint In State Capitol.

An old frame building at Colorado City, often called Colorado's first capitol building, was raided recently by United States officers and an alleged opium layout seized.

TALKED ON RELIGION AT NORMAL

The chapel exercises at the State Normal Friday morning were conducted by Mrs. Leake, who gave a very interesting address on religion. She spoke of the ways of getting religion as through the Bible, and other books and also through nature as seen by the poet. She read a few short selections from the Bible and from Carle and Whitier. Another way of getting religion she mentioned is viewing the creation of God in different places. She also gave a very interesting account of a visit to the Yosemite Valley, describing many beautiful scenes that may be viewed on this trip and referred to some pictures that had been taken in this beautiful valley. These she had placed in the library for the students to examine.

Piano and violin selections were given by Professor Landon and Professor Hogan.

UP-TO-DATE MASSAGE.

A Better Way Has Been Found Than the Old Systems.

Is your face your fortune? It often is. Certainly a poor face which always means an unhealthy one, is the greatest misfortune. The first beauty requisite is blooming health of the skin, and fortunately that is now possible for every one. Only two requisites are needed; a cleansing, healing skin food, in connection with massage based on true principles.

The first essential is Crown Cream, as it contains nourishing elements that cannot be had in any other preparation. It can even be used without massage, and its splendid effect upon skin blotches, pimples, and wasted places is little short of magical. Of course its beneficial action can be greatly increased and quickened by the use of massage. Those who do not fully understand this art, will be greatly interested in the Marlin Beauty Cup, with which every woman is at once an expert. It rumps all impurities from the skin's pores, eradicates wrinkles quickly, and by its action in building up the lower skin layers, makes it almost impossible for the wrinkles to return. You should own both these toilet articles now, as we are just entering the most trying season of the year for complexion troubles. The price of the Crown Cream is 50c a jar, and may be had at Chas. Love Drug Store.

Called to a Sick Daughter.

Mrs. W. B. Beedle of East First street, left Thursday evening for Dimmitt, Texas, where she was called by telegram to her sick daughter, Miss Beattie Beedle, who is dangerously ill of typhoid fever. Miss Beattie is engaged in teaching at Dimmitt. Mrs. Beedle was joined at Kansas City by another daughter, Miss Joyce Beedle, a stenographer in the Pacific railway offices of that city, who accompanied her to Texas.

Mr. and Mrs. Robert Keen and children, Hobart and Geneva, of Fredonia, Kan., who have been visiting Mrs. Keen's father, John W. Bailey, and brother, Ira Bailey, south of Maryville, left for their home Friday morning.

Free Liver Remedy

It is well to stop a physical ailment at the first signs of its approach, and that is especially true of liver trouble, which can eventually give rise to so many serious complications. Many have liver trouble and imagine it is indigestion, and hence take the wrong remedy.

When the liver does not store up sufficient gastric juices it becomes sluggish, and in this way disturbs the stomach and bowels, with which it is supposed to work in harmony. Then comes the sallow complexion, the pimply face, the dull pain in the forehead, the thinning of the blood, etc. A very quick and sensible way to stop the trouble as well as to cure it is by the use of Dr. Caldwell's Syrup Pepsin, which contains ingredients especially intended to promote the activity of the liver.

Among the many thousands who have written the doctor about the results achieved with his remedy, and who are glad to make the facts public so that others can help themselves, are Mr. Jas. Kennedy, St. Louis, Mo.; Mrs. S. A. La Rue of Smith's Grove, Ky., and many others.

These, like thousands of others, started the use of Syrup Pepsin with a simple If you will send your name and address you can also obtain a free trial bottle. This will prove to you that liver trouble is promptly cured with this remedy or it you can then buy it in the regular way of your druggist at fifty cents and one dollar a bottle, and the latter is sufficient for an entire family.

This remedy is a vast improvement over cathartic tablets and salts, which only do good for the time being. Syrup Pepsin is permanent in its results. It is pleasant to take and does not grip. It is especially good for all those who cannot stand a violent purgative. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 209 Caldwell building, Monticello, Ill.

MARYVILLE, MO

RAVENWOOD HAS "SHIP BUILDERS"

That handsome little sail boat that was taken through Maryville Thursday on wheels, on the way to Amazonia, where it is to be launched, was built by its owners, Colonel and Don Joy of Ravenwood. They ought to gain entrance to everybody's shipyard on that piece of work, without much apprenticeship attached. The Ravenwood Gazette of this week says:

"On Wednesday, Colonel Joy's home-constructed nuptial launch, 'Traveler' was placed on view on Sublett avenue and many got their first look at the doughty little craft as it rested on the four wheels which are to convey it to Amazonia, where it is to be launched. The boat party, consisting of Colonel and Don Joy will proceed to St. Joseph, where they will be up for a week and then proceed down the river. It is likely that the party will spend the winter in Arkansas and proceed to the gulf in the spring. For a man, unexperienced in carpentering or boat-building to study out the details and construct such a perfect boat reflects credit on the colonel's constructive abilities."

Pains of women, head pains, or any pain stopped in twenty minutes sure, with Dr. Shoop's Pink Pain Tablets. See full formula on 25c box. Sold by Thomas J. Parle.

Coal At Elmo.

The Elmo Register had the following in this week's issue:

F. C. Green, of Rolla, Mo., who is connected with the state geological survey, was here last week, making a survey of the country in the vicinity of Elmo.

He reported the prospects favorable and said no doubt coal underlies the country here. He thinks that Elmo is located over a coal bed, at an approximate depth of 125 feet. There are indications all around here of the presence of coal in quantities, but he thinks the main vein is too deep to reach and mine profitably.

Frank Wible to St. Joseph.

Frank Wible, who has been associated with the Maryville Business College the past two months as assistant teacher of shorthand has been offered a position with the John S. Brittain dry goods company of St. Joseph which he has accepted, and will begin his work at once.

Died at County Farm.

Mrs. McLaughlin, an inmate of the county poor farm, west of town, died there last night of tuberculosis. She was 64 years old. Her daughter, Susan McLaughlin, is also an inmate of the county farm. Burial will take place Saturday.

A tickling or dry cough can be quickly loosened with Dr. Shoop's Cough Remedy. No opium, no chloroform, nothing unsafe or harsh. Sold by Thomas J. Parle.

How to Tell If Your Hair Is Diseased.

Even if you have a luxuriant head of hair, you may want to know if it is in a healthy condition or not. 98 per cent of the people need a hair tonic.

Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want every one whose hair requires treatment to try Rexall "93" Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall "93" Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c and \$1.00. Sold only at our store—The Rexall Store—Oscar-Henry Drug Co.

TIME TO ACT.

Don't Wait for the Fatal Stages of Kidney Illness. Profit By Maryville People's Experiences.

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles, or any part of the body, don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well when your old-time health and vigor will return. Cures in Maryville prove the effectiveness of this great kidney remedy.

T. A. Murray, East Fourth street, Maryville, Mo., says: "Since using Doan's Kidney Pills some years ago I have been practically free from kidney trouble. I suffered from that complaint for some time. When I was told by a friend to try Doan's Kidney Pills, I immediately began their use and prompt relief from my suffering followed. I do not hesitate to advise other kidney sufferers to give Doan's Kidney Pills a trial, as I know that this remedy can be relied upon."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Waldroff-Chesnut.

A very pretty wedding occurred at the home of Mr. and Mrs. Andrew Chesnut, seven miles west of Hopkins, Sunday, Oct. 16, when their only daughter, Pearl, was given in marriage to Walter Sidney Waldroff. Just as the clock announced the hour of noon and the notes of the wedding march began to sound, Mr. Floy Waldroff, brother of the groom, and Miss Daisy McNutt, cousin of the bride, ushered in the bride and groom before the assembled guests, who arose to witness the solemn ceremony, performed by the Rev. Holtzhausen, that united forever the hearts of this worthy couple.

After congratulations were extended, a bountiful dinner was served to which all did ample justice.

The remainder of the day being spent in social enjoyment, it was not until the lateness of the hour reminded the guests that they must depart for their homes, leaving their best wishes to remain with the happy couple. The bride and groom were the recipients of many beautiful and valuable presents. The groom is a prosperous farmer of Nodaway county, and the bride is one of Nodaway county's most successful school teachers. Mr. Waldroff is to be congratulated upon winning such a worthy companion as a life mate. Their many friends unite in wishing them success and happiness in their new life.

It is the weak nerves that are crying out for help. Then help them, don't drug the stomach or stimulate the heart or kidneys. That is wrong. Vitalize these weak inside nerves with Dr. Shoop's Restorative and see how fast good health will come to you again. Test it and see. Sold by Thomas J. Parle.

J. C. Pistole, J. E. Robb of Hopkins, were in the city and attended the Francis meeting Wednesday night.

The Rev. and Mrs. H. F. Ritz of Boone, Iowa, who had been visiting in Maryville at the home of Mr. and Mrs. J. W. Ray of South Main street, left for their home Thursday morning.

Mr. and Mrs. George Baker went to Kansas City Friday morning to spend a few days with Mrs. Baker's brother, John Campbell, and family.

APPETITE GONE.

Indigestion is the Cause of It—The Oscar-Henry Drug Company Has the Cure.

People go on suffering from little stomach troubles for years and imagine they have a serious disease.

They overeat or overdrink and force on the stomach a lot of extra work.

But they never think that the stomach needs extra help to do extra work.

If these people would take two Mi-o-na Stomach Tablets with or after meals stomach misery would go in five minutes and they would be a great big help to the stomach in its strain of overwork.

Mi-o-na is guaranteed by the Oscar-Henry Drug company to cure indigestion or any stomach disease or money back.

Mi-o-na for belching of gas.
Mi-o-na for distress after eating.
Mi-o-na for foul breath.
Mi-o-na for biliousness.

"Graustark" Tonight.

"Graustark," George D. Baker's dramatization of the novel of the same name, is to be the attraction at the Empire theater for this evening.

The romance story of the love of Grenfall Lorry and Princess Yette of Graustark, with the stirring events connected therewith, due to the chivalrous American becoming involved in the affairs of that principality and its neighbors, makes a good play. In the dramatization, the narrative of the author has been faithfully followed, with little departure for stage purposes. There is a plentiful supply of comedy infused in the play, which fit with the more serious phases of the story. The company presenting the play is up to the standard, each individual having been selected for his or her adaptability for the particular role in which they are cast. They have been well drilled by Mr. James W. Castle, one of the premier stage directors of this country, who for years handled that end of the business for the Whitney enterprises.

As a scenic production, Graustark is unequalled for massive and magnificent scenery and effects. It takes place behind no romantic play of years.

LOST HER HAIR.

Woman Almost Baldheaded Grew Four Inches of Hair.

Here is a piece of live news from Brownstown, Minn., that ought to interest skeptical men or women readers of The Democrat-Forum who are losing their hair or have dandruff or itching scalp.

Remember that the Koch Pharmacy sells Parisian Sage under a positive guarantee to stop falling hair and itching scalp and eradicate dandruff in two weeks.

Parisian Sage is a most refreshing and daintily perfumed hair dressing, free from grease or stickiness. It makes dull, lifeless hair radiant and lustrous.

"Parisian Sage is the best hair grower and beautifier and dandruff cure. I lost all my hair through typhoid fever. I was almost baldheaded and my scalp was as sore as could be. I tried everything, but in vain. Finally I tried Parisian Sage, and after using one bottle my hair started to grow, and has grown three or four inches inside of two months. I advise every lady who wants beautiful hair to use Parisian Sage." Miss Meta M. Kruger, Brownstown, Minn., June 8, 1910.

Parisian Sage is only 50 cents a large bottle at the Koch Pharmacy and druggists everywhere. The girl with the Auburn hair is on every package.

Miss Agnes Protzman of Clyde and her sister, Mrs. W. H. Davis of Douglas, Wyo., visited in Maryville the last few days with their relatives, J. J. Protzman and family. They went to Clyde Friday to visit relatives. Miss Protzman has been spending some time past in the West with her sister, but expects to remain here this winter and will improve her property at Clyde. This was Mrs. Davis' first visit here in twenty-five years.

Edwin Bellows returned to his home in Chicago Friday from a several days' visit in Maryville with his mother, Mrs. Frank Bellows and his brothers and sisters.
